

Tuition 2011 – 2012

Ascension Catholic School, Kettering Ohio (IRN - # 054239)

Tuition Rates for Next Year

In planning our tuition for the next school year, the Education Commission of Ascension Parish and Parish Staff looked at the following factors as new tuition rates were set:

1. Generous stewardship of Ascension Parish members with their Sunday contributions;
2. The total per pupil cost and what the parish is able to continue to contribute;
3. Comparison of rates and management options with other Catholic Schools in the area;

The scale below illustrates just how committed Ascension Parish is to Ascension School. **It is therefore very important for all parish families to continue their support of Ascension Parish.** Non parish families enrolled in the school are expected to pay the full per pupil cost.

Ascension Tuition Scale 2011-12

Family Size	Full Per Pupil Cost	Parish & Other Income Contribution	Parish Tuition
1 Child family	\$4,450	\$1,860	\$2,590

Tuition Policy

Ascension School is supported by the collection of tuition, other sources of school income (state reimbursement, fees, gifts, grants, PTO) and by the parish through generous parish Sunday contributions. **Families have the option to pay the full per pupil cost if they feel they have the means to support the school and parish to that level. All families are asked if they accept the contribution of the Parish and other sources of school income towards the full cost of their children's education. Families may choose one of the following payment plans:**

- A. **Full Payment** paid directly to Ascension School by July 15. (No management fee)
- B. **Automatic Payments** – also known as ACH (Automatic Cash Handling) or EFT (Electronic Fund Transfer) Choice of 2-10 payments made monthly, Aug – May with FACTS tuition management fee.
- C. **Credit Card Payments** Choice of 2-10 payments made monthly, Aug - May with FACTS tuition management fee. There is an additional annual convenience fee assessed by the credit card company. That fee is \$2.50 per \$100 of tuition.
- D. **Invoiced Payments** Choice of 2-10 payments made monthly, Aug – May with FACTS tuition management fee.

Tuition Affordability - The expectation is that all families will pay their tuition according to their tuition commitment. The goal of Ascension Parish is that no child of a parish family will be refused admission based solely on an inability to pay the full tuition. If parish families feel they are unable to make the tuition commitment, then they should apply for tuition assistance. Tuition Assistance is considered on an annual basis. Parish families seeking assistance must submit a request for tuition assistance through the PSAS (Private School Aid Service). Application information will be sent to you or may be accessed online. All families seeking tuition assistance are also asked to complete registration with the PACE Program (Parents Advancing Choice in Education). Attendance at a PACE Orientation is part of the PACE registration.

All tuition is to be paid in full by the May payment date. Report cards will be held until complete payment has been made. No records are forwarded to other schools until all bills have been paid. **Registration will not be accepted for the next school year until all fees are up to date or have been paid in full.** We ask that all families with children currently enrolled in the school please turn in registration commitment forms by **March 7, 2011**.
