Read the following passage from our Pope on the value of life.

"It is therefore a service of love which we are all committed to ensure to our neighbor, that his or her life may be always defended and promoted, especially when it is weak or threatened. It is not only a personal but a social concern which we must all foster: a concern to make unconditional respect for human life the foundation of a renewed society."(*Evangelium Vitae: On the Value and Inviolability of Human Life* (77c) 1995)

How does this passage relate to your service experience?

On a scale of 1-10, how would you rate your own effort and attitude on this service? Explain.
