Describe your activity (what did you do, who did you serve, etc)

How did those you serve benefit?

What was the value of this experience for you? What did you learn about the role of Christian service in your faith, Catholic identity, or life as a young disciple?

Read the following passage from our bishops on the value of care for young people in the parish. “

*Community life is enhanced when the church promotes and models an attitude that is authentic, positive, accepting, and understanding - assuring all young people that they are valued and cared for as gifted individuals.” (Renewing the Vision p35, USCCB, 1997 )*

How does this service activity help the young people at college know they “are valued and cared for”?

On a scale of 1-10, how would you rate your own effort and attitude on this service? Explain.
